The Applicant, Gallatin County Water District (the "District"), acting by and through its Commission, respectfully tenders this Application and requests that the Public Service Commission of Kentucky enter its Order pursuant to KRS 278.023 and 807KAR5:069 issuing a Certificate of Public Convenience and Necessity authorizing the District to construct major extensions and additions to its municipal water distribution system (the "System") for the purpose of assuring an adequate and potable water supply in the District, approving the adjustment of water rates and charges to be levied and collected by the District and approving the issuance of certain securities by the District. In support of this Application and in conformity with the rules of the Public Service Commission the District states as follows:

1. The District was originally created by an Order entered by the County Court of Gallatin County, Kentucky, on September 12, 1960 (and reaffirmed by the County Judge/Executive of Gallatin County in 1985), and exists as a statutory water district under KRS Chapter 74, serving defined areas in Gallatin County and small portions of Boone County and Grant County. The District is now, and has been since its creation, regulated by the Public Service
